Dear _____,

Tanisha travels the world to share her own stories of struggles, tragedy, transformation, and faith in God. Her mission is to empower, inspire, and motivate mothers and families affected by crime related trauma, grief, and mental illness resulting from abuse in all forms. Tanisha has a unique style of delivering her message of hope by presenting the relationship between accomplishment and community development.

Since being a life coach and consultant, she has shifted the mindsets of those she has worked with. *Tanisha's goal is to educate the community at large about the relationship between mental health, substance abuse, and the criminal legal system.* Through strategic partnerships and a 21st century grassroots approach to community development, Tanisha is guaranteed to deliver a transformative presentation that will be a catalyst for long term change.
